about Abbotsford

Nestled on the flatlands between the Coast and Cascade mountain ranges, Abbotsford (pop. 135,000) lies in the heart of the Fraser Valley, 68km/42m east of Vancouver and just 5km/3mi from the US border. While Hwy 1 connects the community east and west, its airport has put Abbotsford on the international map. For many tour operators and regional airlines, Abbotsford is an alternate arrival/departure point to Vancouver's International Airport.

The community of 375.55 square kilometres (145.00 sq mi) is the largest city by area in British Columbia. It is home to the University of the Fraser Valley, TRADEX and Abbotsford International Airport, which hosts the Abbotsford International Airshow. The municipality's southern boundary is the Canada-United States border, across which is Sumas, Washington. In Canada, it is bordered by the Township of Langley to the west, the Fraser River and the District of Mission to the north, and the City of Chilliwack to the east. Much of Abbotsford enjoys views of Mount Baker (to the southeast, in Washington) and the Coast Mountains (to the north).

Known as a "City in the Country", Abbotsford is blessed with British Columbia's richest agricultural lands, family-friendly hospitality and sophisticated urban amenities.
